# Important notice(s)

**Your policy number: Z6023FK0**

**See below for important notice(s) regarding the coverages of your automobile insurance policy.**

## APPLICABLE TO THE VEHICLE(S)

### Vehicle #1 2023, FORD ESCAPE PHEV 4D 2X4

## GOOD DRIVER RATE PROTECTION

### SUMMARY OF CHANGES

To address auto insurance affordability challenges, the Government of Alberta implemented a "good driver rate cap" on private passenger vehicles.

### WHAT DOES THIS MEAN

To be eligible for the rate cap, a driver must not have:

- Any at-fault claims in the previous six years,
- Any criminal code convictions in the previous four years,
- Any major convictions in the previous three years, and
- More than one minor conviction in the previous three years.

There are several exemptions to the Good Driver rate cap such as address changes, adding or changing drivers or vehicles, discount changes, and coverage changes. For a full list of exemptions visit https://www.airbfordrivers.ca/know-insurance/good-driver-protection/.

In 2024, the good driver rate cap was 3.7%. We implemented this cap for renewals effective April 12th, 2024 onwards.

For 2025 the rate cap is set at 7.5% (5% good driver rate cap plus a 2.5% rider due to natural disasters in Alberta, such as the Jasper wildfire and Calgary hailstorm). We implemented the 7.5% rate cap for renewals effective April 12th, 2025.

### HOW DOES THIS IMPACT YOU

**Base Rate Increase in 2024**

We received an overall rate approval of 10% from the Automobile Insurance Rate Board. This rate change was implemented for renewals from August 6th, 2024.

A review of your policy has indicated that you and/or a driver in your household do not meet the criteria for the "Good Driver" rate cap of 7.5%. As a result, effective your renewal date, you may see a premium increase for the following private passenger vehicle(s), which is above the announced cap set by the Government of Alberta.

Your policy falls under an exemption to the rate cap. For a full list of exemptions visit https://www.airbfordrivers.ca/know-insurance/good-driver-protection/.

We understand this is a significant household expense, for general tips relating to auto insurance premium please visit https://www.desjardins.com/ab/en/tips/lower-car-insurance-premium.html.

Should you have questions or, wish to make changes, please contact us at the phone number which can be found on the first page of your renewal package.

### Glass Damage Exclusion

Coverage for glass is not included.

Please refer to the document *AB-S.E.F. 13(D) Limitation of Glass Coverage Endorsement* for further details.

## The following is a brief explanation of the insurance outlined in Item 4 - Insuring Agreements of this Certificate. The contract is contained only in the policy.

### Policy Section A - Third Party Liability

Provides coverage for legal responsibility to others arising from an automobile accident causing death or injury to persons or damage to their property.

### Policy Section A.1 - Direct Compensation for Property Damage

Provides coverage under certain conditions for damage to your automobile, to property that it is carrying and for loss of use arising from damage when another motorist is responsible. There may be a deductible.

### Policy Section B - Accident Benefits Payments for Death or Bodily Injury:

Provides benefits that you and other insured persons are entitled to receive if injured or killed in an automobile accident. Payments are made regardless of who is responsible for the accident.

### Uninsured Motorist

Allows the insured person to recover damages for bodily injury or death from the Insurer caused by an uninsured or unidentified motorist. The coverage essentially applies when an insured person is travelling in a Canadian or United States jurisdiction where no uninsured motorist fund exists.

### Policy Section C - Loss of or Damage to Insured Automobile

This section of the Policy provides a selection of coverages for the policyholder's own automobile. There is usually a deductible amount indicated for each coverage and this amount is either paid by the policyholder toward the cost of the repairs or is deducted from the loss settlement.

**ALL PERILS** Subsection 1:
Combines the Collision and Comprehensive coverages.

**COLLISION OR UPSET** Subsection 2:
Covers damage caused by Collision with another car, another object or by upset.

**COMPREHENSIVE** Subsection 3:
Covers the automobile against loss or damage caused other than by Collision or Upset. The coverage is not confined to specific hazards and is therefore broader in scope than the alternative coverage – Specified Perils (Subsection 4).

**SPECIFIED PERILS** Subsection 4:
Covers the automobile against loss or damage caused by certain specific perils. They are fire, theft, lightning, windstorm, hail, earthquake, explosion, riot, falling aircraft, rising water or an accident to a vehicle or boat on which the automobile is being transported.

**WARNING: THE INSURANCE ACT PROVIDES THAT**
**If (a) an applicant for a contract (i) gives false particulars of the described automobile to be insured to the prejudice of the insurer, or (ii) knowingly misrepresents or fails to disclose in the application any fact required to be stated in the application, (b) the insured contravenes a term of the contract or commits a fraud, or (c) the insured wilfully makes a false statement in respect of a claim under the contract, a claim by the insured is invalid and the right of the insured to recover indemnity is forfeited.**

**AB-S.E.F. NO. 23(A) - Lienholder, Mortgagee or Assignee Endorsement**

Loss of or damage to the insured automobile, under Section A.1 – Direct Compensation for Property Damage or Section C – Loss of or Damage to Insured Automobile of the Policy or as set out in the Certificate of Automobile Insurance, shall in the event of loss of or damage to the automobile that is not repaired, be payable jointly, to the Insured and to:

Lienholder, Mortgagee or Assignee as listed in the Certificate of Automobile Insurance.

If the insurance provided by Section A.1 – Direct Compensation for Property Damage or Section C – Loss of or Damage to Insured Automobile of the Policy or as set out in the Certificate of Automobile Insurance is cancelled, the Insurer will give fifteen days' written notice of such cancellation to the Lienholder, Mortgagee or Assignee. Notwithstanding anything contained in any renewal certificate issued subsequent to the effective date of this endorsement, the obligation to notify the Lienholder, Mortgagee or Assignee shall not be effective after the expiry date of the Policy or the expiry date of the Lienholder, Mortgagee or Assignee's interest, whichever is earlier.

Description of Automobile(s) Insured and Insurance Coverage Provided: as per the Certificate of Automobile Insurance where this endorsement is applied.

Except as otherwise provided in this endorsement, all limits, terms, conditions, provisions, definitions and exclusions of the policy shall have full force and effect.
